GRAD
ZAPREŠIĆ

Drage kuglačice i kuglači, želim vam dobrodošlicu u naš mali grad koji će u ovih nekoliko dana biti domaćin svjetskoj kuglačkoj eliti, a u koju je, na naš veliki ponos, svrstan i Kuglački klub Zaprešić. Svakako je ovo prigoda prisjetiti se nekolicine entuzijasta zahvaljujući kojima danas Zaprešić ima brojne pehare i medalje s državnih, europskih i svjetskih natjecanja u kuglanju. Dugogodišnji trud i rad naših kuglača nagrađen je ove godine novom kuglanom koja tek treba zaživjeti punim plućima. Vjerujem da će upravo ovo natjecanje potaknuti mnoge mlade na bavljenje kuglanjem jer se kroz sport najbolje povezuju zemlje, ali i ljudi.

Nadamo se da ćete u ovom kratkom periodu upoznati ljepote našega grada, ali i Hrvatske, te da će biti prilike za nove susrete koji ne moraju nužno biti vezani uz kuglanje. Naš grad može ponuditi puno toga, od bogate kulturno-povijesne baštine, do prekrasnih mjesta za odmor ili rekreaciju.

Ovoga puta smo u ulozi domaćina 30. svjetskog ekipnog kupa u kuglanju, pa svim natjecateljima želimo puno sreće i uspjeha. No, bez obzira na rezultate, siguran sam da će iz našeg grada otići bogatiji za nova iskustva i prijateljstva, a to je ono najvažnije!

Još jednom dobrodošli u Zaprešić i do ponovnog susreta srdačan pozdrav!

Dear bowlers,

I would like to welcome you to our small town, which will host the world's bowling elite for the next few days, the elite that, as we are very proud to say, Bowling Club Zaprešić is also a member of. I believe this is a occasion for us to remember a couple of enthusiasts thanks to whom Zaprešić today boasts numerous cups and medals from national, European, and world bowling championships. The hard work and commitment of our bowlers throughout the years was awarded this year by a new bowling center. I believe that this competition will inspire a lot of young people to take up bowling because sport is the best way to connect both countries and people. We hope that even in this brief period you will discover the beauties of our town and our country, and that you will have the opportunity to meet new people, not necessarily in a bowling-related setting. Our town has a lot to offer, such as its rich cultural and historical heritage and wonderful places for relaxation or recreation. As the hosts of the 30th Bowling World Cup for teams, we wish all the competitors a lot of luck and sport success. However, regardless of the results, I am certain that you will leave our town enriched by new experiences and friendships, which is the most important thing! Once again, welcome to Zaprešić and my warm regards until our next meeting!

grada Zaprešića**

Drage kuglačice i kuglači, poštovani predstavnici svjetske kuglačke organizacije WNBA-NBC, dragi gosti, čast mi je i zadovoljstvo poželjeti vam dobrodošlicu u grad kojeg često nazivaju gradom mladih i obrazovanih ljudi te gradom sporta.

Pozdravljam vas u ime Zajednice športskih udruga grada Zaprešića u koju je udruženo 29 sportskih udruga s više od 3000 registriranih sportašica i sportaša koji se natječu u 19 različitih sportova.

Jedan od tih sportova je i kuglanje, koje se organizirano i kvalitetno provodi 39 godina.

Ono čime se izuzetno ponosimo su rezultati koje naš Kuglački klub "Zaprešić" ostvaruje u posljednjih 6 godina, kako u Hrvatskoj, tako i na međunarodnim natjecanjima, što ih je svrstalo u red najboljih momčadi u Europi.

Rezultat tih ostvarenja je i nova kuglana izgrađena neposredno prije održavanja 30. svjetskog ekipnog kupa u kuglanju na kojem će nas, Zagrebačku županiju i Republiku Hrvatsku predstavljati KK "Zaprešić". Veliko je to priznanje i čast našem sportu, kuglačkom klubu, ali i gradu domaćinu - gradu Zaprešiću.

Vjerujem da ćete svi vi sudionici svjetskog kupa moći pokazati svoju kvalitetu, preciznost, upornost te poneko iznenadenje na zadovoljstvo svih koji će sa zanimanjem pratiti ovo natjecanje.

Svima vama želim ostvarenje dobrih sportskih rezultata, nova poznanstva te ugodan boravak u našem gradu.

Dear bowlers,
honoured representatives of the world bowling organisation WNBA-NBC, dear guests,

I am honoured and delighted to be able to welcome you to our town, which is often called the town of young and well-educated people as well as the town of sports.

I greet you on behalf of Zaprešić Union of Sports Associations, which comprises 29 sports associations with more than 3000 registered athletes competing in 19 different sports.

One of these sports is bowling, which has been played as an organised sport at a high level of quality for last 39 years.

We take special pride in the results achieved by our Bowling Club "Zaprešić" during the last 6 years at various competitions, both national and international, thanks to which it now ranks among the best teams in Europe.

Thanks to these achievements, we have also been able to build the new bowling center, right before the 30th Bowling World Cup for teams, where the Bowling Club "Zaprešić" will represent us - Zagreb County and the Republic of Croatia. It is a great honour and recognition for our sports sector, our bowling club, and the host town of Zaprešić.

I believe that the world cup will be an opportunity for all of you taking part in it to show your skills, precision, and commitment, and maybe sometimes surprise your eager audience.

I wish all of you to achieve good sports results, to make new friends and to have a pleasant stay in our town.

O Zaprešiću

Grad Zaprešić jedan je od devet gradova Zagrebačke županije i zauzima njezin sjevero-zapadni dio. Smješten je pokraj Zagreba i nalazi se na važnim cestovnim i željezničkim pravcima prema zapadnoj i srednjoj Europi. Prosječna dob stanovništva je 37 godina, a zahvaljujući kvalitetnom sustavu obrazovanja Zaprešić je dobio status najmlađeg i najobrazovanijeg grada Zagrebačke županije.

Brojne prednosti koje Zaprešić nudi svake godine privlače nove stanovnike. Grad pun zelenila, a na samo 15 kilometara od metropole samo su neke od njih. S nepunih 30 tisuća stanovnika Zaprešić je danas grad po mjeri čovjeka. Jednako brine o djeci i starijima, a nezaposlenost je mala kao rijetko gdje u Hrvatskoj.

Ban Josip Jelačić, hrvatski ban zaslužan za ukinjanje kmetstva, najpoznatiji je stanovnik Zaprešića. Novi dvori, u kojima se nalazi grobniča obitelji Jelačić, danas su jedinstven primjer očuvanosti cjelovitog gospodarskog vlastelin-skog kompleksa kojeg čine dvorac, Kapela sv. Josipa, stambene i gospodarske zgrade od kojih su obnovljene Vršilnica, te trokatna žitница u kojoj se danas nalazi Muzej Matije Skurjenija sa stalnim postavom slika tog znamenitog umjetnika naive. 16. listopada, na godišnjicu banova rođenja, Zaprešićani slave dan svoga grada. Tada se u gradu održavaju brojna kulturna i zabavna događanja.

Zaprešić je svakako i grad sporta te je uz nogomet, rukomet, košarku i kuglanje, sve veći interes za atletiku, konjički sport, biciklizam, tenis, golf i ostale sportove u Zajednici.

About Zaprešić

The town of Zaprešić is one of the nine towns in Zagreb County, located in its northwestern part, only 15 kilometres away from Zagreb, along the major road and railway routes towards Western and Central Europe. Thanks to its quality education system and the average age of population of 37 years, Zaprešić has achieved the status of the youngest and the best educated town of Zagreb County.

There are numerous advantages to living in Zaprešić, such as its proximity to the capital and plenty of green spaces, which attract new people every year. With the population of almost 30 thousand, today Zaprešić is a town great for living. Both children and the elderly are well taken care of, and the unemployment figure is one of the lowest in Croatia.

Ban Josip Jelačić, the Ban (viceroy) of Croatia responsible for abolishing serfdom, is the most famous inhabitant of Zaprešić. His manor of Novi Dvori, where the Jelačić family tomb is located, is a unique example of preservation of an entire nobleman's estate, comprised by the castle, the Chapel of St. Joseph, and other residential and farm buildings, some of which have been restored: Vršilnica - a historic building for grain threshing, and the three-storey granary that now houses Matija Skurjeni Museum with a permanent exhibition of paintings of this renowned naïve artist. On 16 October, the Ban's birth anniversary, the town festival is held, with numerous cultural and entertainment events.

Zaprešić is also a sports town - in addition to football, handball, basketball and bowling, there's a growing interest in athletics, horse riding, cycling, tennis, golf and other sports in our community.

Welcome to
Zaprešić

Bowling Club Zaprešić

Dragi sportski prijatelji, dragi posjetitelji želim vam u ime KK Zaprešić izraziti dobrodošlicu na jubilarni 30. Svjetski kup u kuglanju za kuglačice i kuglače. Želim vam da se ugodno osjećate u našem gradu i u našoj novoj kuglani.

Naš klub iduće godine slavi 40. godina postojanja i dolazak najboljih kuglačkih ekipa na ovaj SK, a sljedeće godine na završnicu LP, je najbolji rođendanski poklon i veliko priznanje našem klubu na brojnim osvojenim trofejima i priznanjima koji se teško mogu i pobrojati.

Prije svega želim se zahvaliti rukovodstvu NBC-a na dodjeli organizacije ovog kuglačkog natjecanja. To je svakako velika čast i priznanje za naš grad, klub i državu.

Posebno zahvaljujem svima koji su sudjelovali u organizaciji na trudu koji su uložili u pripremu ovog natjecanja.

Također se zahvaljujem sponzorima, jer bez njihove podrške teško bi bilo zamisliti kuglački sport na ovoj razini.

KK Zaprešić se nuda da će ovaj sportski događaj biti zanimljiv i uzbudljiv za sve sudionike i posjetitelje, te da će sa sobom ponijeti pregršt divnih uspomena.

Svim gostima želimo ugodan boravak u našoj kuglani i gradu Zaprešiću!

Dear fellow bowlers, dear visitors, on behalf of Bowling Club Zaprešić I would like to welcome you to the jubilee 30th Bowling World Cup for women's and men's teams. I hope you will enjoy yourselves in our town and at our new bowling center.

Our club will celebrate its 40th anniversary next year and the arrival of the best bowling teams to this World Cup and the Champions League finals next year is the best possible birthday gift and another great recognition for our club, which has already won numerous trophies and awards.

Above all, I wish to thank the NBC management for giving us the opportunity to organise this major bowling competition. It is a great honour and recognition for both our town, club and country.

I give special thanks to everyone who participated in the organisation of this event for their hard work and commitment.

I also wish to thank our sponsors - it would be hard to imagine bowling at this level without their support.

We at Zaprešić Bowling Club hope that all players and visitors will find this sports event interesting and exciting and create a lot of beautiful memories.

We wish all our guests a pleasant stay at our bowling center and the town of Zaprešić!

Lovro Benčević
Predsjednik kuglačkog
saveza Zagrebačke županije
President of bowling
federation of Zagreb County

Poštovane kuglačice i poštovani kuglači! Dobro došli u Zaprešić i u Zagrebačku županiju.

Pripala mi je izuzetna čast obratiti vam se ovim putem i zaželjeti vam ugodan boravak na 30. Svjetskom kupu u kuglanju.

Kuglački savez Zagrebačke županije osnovan je 20.03.2009. godine. Danas broj ukupno 180 registriranih igrača.

KK Zaprešić je najuspješniji klub u našem savezu za što je 7 puta nagrađivan od strane Zajednice sportskih udruga i saveza Zagrebačke županije kao najbolja sportska ekipa županije.

Upravo zbog toga, izuzetno smo ponosni što ćemo imati priliku sudjelovati i gledati najbolje svjetske kuglače upravo u gradu koji postaje centar kuglačkog sporta u Hrvatskoj i šire.

Uvjeti za nastup bit će vrhunski, od objekta, kuglane, ponude, događanja i atmosfere, te se nadamo da će ovaj svjetski kup ostati zapamćen kao jedan od najbolje organiziranih sportskih priredbi na našem području.

Želja nam je da ova priredba motivira mlade da se u budućnosti počnu baviti kuglanjem, da se nakon vrhunskih nastupa čim više rekreativaca okuša u svojim kuglačkim vještinama, te da se kuglanje predstavi kao dinamičan i atraktivan sport za sve.

Želimo Vam puno srušenih čunjeva i ugodan boravak u Zaprešiću i Zagrebačkoj županiji!

Dear bowlers!
Welcome to Zaprešić
and Zagreb County.

I have been given the great honour of addressing you in this manner and wishing you a pleasant experience at the 30th Bowling World Cup.

Zagreb County Bowling Federation was founded on 20 March 2009. Today we have a total of 180 registered players.

Bowling Club Zaprešić is the most successful club in our federation, which has also been confirmed by 7 awards for the best sport team in the County from the Union of Sports Associations and Federations of Zagreb County.

This makes us all the prouder to be able to participate in this competition and to watch the world's best bowlers in this particular town, which is on its way to becoming an important bowling centre both in Croatia and abroad.

We have done our best to ensure you the best playing conditions, including a new bowling center, various leisure activities and motivating atmosphere, and we hope that this world cup will be remembered as one of the best organised sports events in our area.

We would like that this event inspires young people to take up bowling, that more and more recreational bowlers try their skills after watching the professionals' top performances, and that people appreciate bowling as a dynamic and attractive sport for everyone.

We wish you a lot of knocked down pins and a pleasant stay in Zaprešić and Zagreb County!

O kuglačkom klubu

Kuglački sport u gradu Zaprešiću ima dugu i bogatu tradiciju. Prva automatska kuglana sagrađena je 1977. godine, a dvije godine kasnije, 25.11.1979. godine, osnovan je KK Zaprešić s dvije natjecateljske ekipa.

Od 1996. godine seniori su stalni članovi 1. lige i u tom periodu osvojeno je pet naslova prvaka i četiri kupa Hrvatske. Škola kuglanja osnovana je 1987. godine i jedna je od najuspješnijih u Hrvatskoj.

Od 2010. godine klub neprekidno predstavlja Hrvatsku na međunarodnim natjecanjima. U posebno lijepom sjećanju zaprešičkim kuglačima je Split gdje su na svom prvom međunarodnom nastupu na Europa pokalu osvojili 3. mjesto, što je i prvi međunarodni naslov u klupskoj povijesti.

U narednim godinama osvajali su NBC i Europa pokal te 3. mjesto na Svjetskom kupu uz tri nasipa u final four Ligi prvaka. Za svoje sportsko djelovanje klub je u više navrata nagrađivan od gradskih i županijskih sportskih saveza, a posebno su ponosni na nagrade Grada Zaprešića.

30. Svjetski kup u kuglanju je prvo veliko međunarodno natjecanje u organizaciji KK Zaprešić. Zaprešički kuglači svim sudionicima žele dobre rezultate, uz nadu da će ovo natjecanje i boravak u našem gradu svima ostati u lijepom sjećanju!

About bowling club

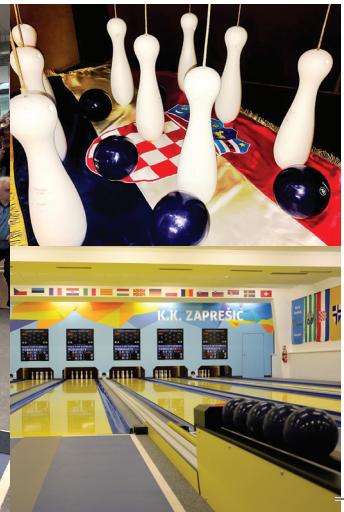

Bowling has a long and rich history in Zaprešić. The first bowling center with an automatic pinsetter was built in 1977. Two years later, on 25 November 1979, Bowling Club Zaprešić was founded, at that time comprising two teams.

Since 1996, the senior team has continuously played in the 1st league and so far, it has won five champion's titles and four Croatian Cups. A bowling school was founded in 1987 and today it is one of the most successful in Croatia.

Since 2010, the club has continuously represented Croatia at international competitions. The European Cup in Split is remembered with special emotions by the bowlers of Zaprešić, because not only was it their first international competition, but they also won 3rd place and the first international title in the club's history.

In the following years, the club won the NBC cup, the European Cup, and 3rd place in the World Cup with three time qualifications in Final four Champions league. The club has received a number of awards from the town and county sports federations in recognition of their activities, and they are especially proud of the awards of the town of Zaprešić.

The 30th Bowling World Cup is the first major international competition organised by the Bowling Club Zaprešić. The bowlers of Zaprešić wish good results to all participants and hope that this competition and their stay at our town will be remembered by everyone!
